

Prospectus for 2019 Chinese Language Winter Training Program Guangdong University of Foreign Studies, China

1. About Us

Guangdong University of Foreign Studies has adopted internationalization as the university's pivotal strategy for development. One of the University's strengths is over thirty-year experience in offering intensive tailor-made Chinese language training. The University is a key institution in South China for its globally minded faculty and students and its research on foreign languages, literature, culture, international trade, economics and international strategic studies. The University was accredited as one of the earliest universities to teach Chinese for non-Chinese speakers. Therefore, Institute for International Education has long been responsible for international student recruitment, Chinese language teaching and administration.

2. Program objective

This program aims to enhancing students' Chinese language proficiency within one month on Guangdong University of Foreign Studies North Campus and deepening their understanding of Chinese culture through lectures, intercultural interaction between international and Chinese students, and Chinese culture experiencing activities.

3. Program Description

The program puts its priority on intensive Chinese language classes taught by teachers with rich expertise of Chinese language training for international students. In addition, events such as student dialogues, Chinese cultural activities, field trips, city tours will be arranged as supplements to help students gain more Chinese and international perspective.

4. Program Duration

January 2 to January 30, 2019

5. Chinese language classes
