Prospectus of Chinese Language Programme for International Students

Guangzhou—International Trading Center

Guangzhou is the capital city of Guangdong Province and the largest business center in China. Guangzhou has long enjoyed the fame as the renowned historic and cultural centre, the exciting economic hub of the country and is often referred to as “the Southern Gate of China”.

Guangzhou is

- A subtropical, coastal city enjoying a temperate climate throughout the year. Flowers blossom year round, giving the area the name “the City of Flowers”.
- The city is a transportation hub boasting a highly-developed and convenient transportation network, connecting major cities around the world, and only 2 hours' drive from Hong Kong and Macau.
- Guangzhou is the forefront of China's Reform and Opening-up with its GDP volume ranking No. 1 in the country as a whole. One-third of the Fortune 500 corporations have set up branches in this city.
- As the birthplace of Maritime Silk Road in China, Guangzhou has grown into a metropolis which holds the “China Import & Export Commodity Trade Fair” twice a year, the biggest trade fair of its kind in China, to attract customers from worldwide to procure commodities here.

Guangdong University of Foreign Studies—A Major Internationalized University

Guangdong University of Foreign Studies (GDUFS) is embraced by Baiyun Mountain, with the north campus enjoying a beautiful environment of marvelous green hills, making itself an ideal place for academic studies and learning. GDUFS is a major internationalized university in South China for its global-minded faculty/students and its research on international languages, literature, culture, trade and strategic studies. As home to two provincial-level collaborative innovation centers, GDUFS is one of the few universities worldwide qualified to provide high-end translation professionals to the United Nations, China's only foreign studies-oriented university that is in the CAMPUS ASIA program and that is accredited by the Association of MBAs (AMBA), and also home to the Secretariat of the Asian University Presidents' Forum (AUPF). GDUFS offers 72 undergraduate programs in literature, economics, management, law, engineering, science, education and art for bachelor, master and doctoral degrees and post-doctoral research. With 26 foreign languages available, the University is the only one in South China that boasts the greatest variety of foreign language programs.

About Institute for International Education (IIE)—A Model Base for Studying in China

The university was accredited as one of the earliest universities to teach Chinese for non-Chinese speakers. Therefore, IIE has long been responsible for international students enrollment, teaching and administration. In 2016, the universities have received 2,707 international students from over 123 countries and regions.

- Accredited among the first group of 38 universities and colleges as the Model Base for Studying in China by the Ministry of Education in August 2013.
- Scholarships of all levels available for international students: Chinese Government Scholarship, Confucius Institute Scholarship, Guangdong Provincial Government Scholarship and GDUFS Scholarship.
- Flexible program setup with year-round application and aptitude-based teaching
- Competent faculty with relevant Chinese teaching experience internationally
- Regular site visits to local trade centers and international companies in Guangdong province.
